A QUARTERLY NEWSLETTER FROM THE MISSIONARIES OF AFRICA (WHITE FATHERS)

September 2021

Dear friends and benefactors,

Father **Marc Angers** has now joined our community in Montreal. After missionary service in Tanzania and South Africa he has served for 18 years in Toronto. He has edited this letter for many years and has made mission appeals in many parishes in Toronto and Hamilton dioceses. He has served on the Distribution Committee of the Pastoral Mission Fund in the Archdiocese of Toronto. He has supplied in several parishes (both English & French speaking) and especially in St. Jerome parish in Brampton. He has been involved with the Cursillio movement and has been the diocesan coordinator for the French sector.

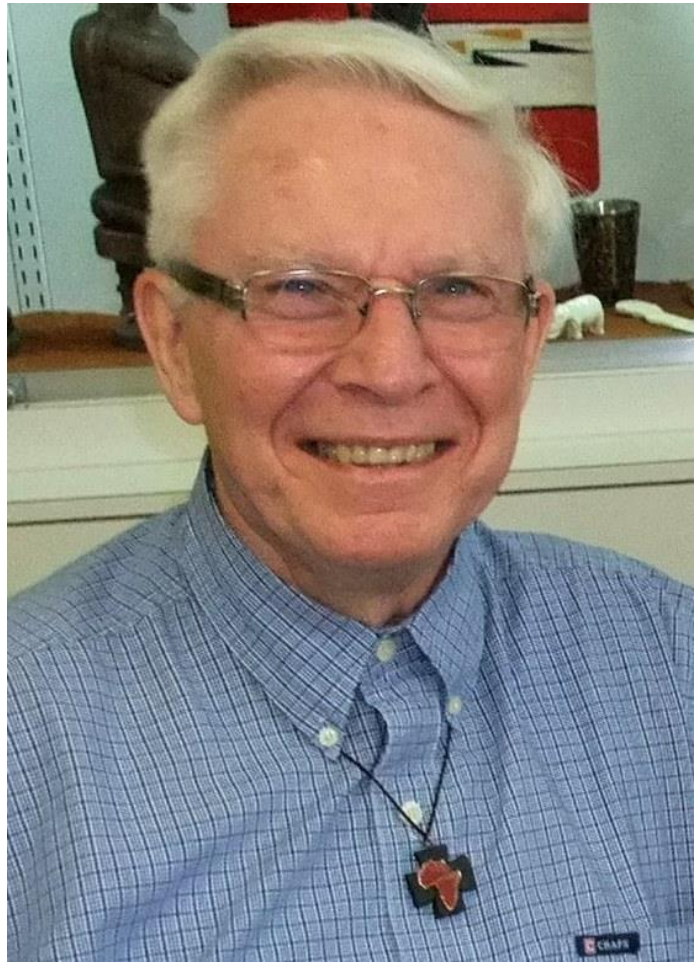

For him, this is not yet retirement, he remains available for ministry services.

Father **Marcel Boivin** died earlier this year in Quebec City. He has served for many years in the Archdiocese of Toronto especially in Annunciation Parish on Don Mills, in St Edwards, and Sainte Famille in Mississauga.

We welcome father **Michel Meunier** to our community. He is no stranger to the Archdiocese of Toronto. He has served in five different countries in Africa, namely Malawi, Kenya, Angola, South Africa and Zambia. He worked in Toronto from 1996 to 2008: first at our house on Indian Rd Crescent, rendering various services in different parishes of the Archdiocese, on the Council of Priests and as a member of the Distribution Committee of the Pastoral Mission Fund. He also worked in Assumption and Sacré-Coeur parishes, especially with the African Catholic Community. He then served another 10 years in Africa. He returned in June 2018 and was appointed to our Montreal Provincial community as community coordinator. He is glad to return to Toronto where he has many friends and acquaintances.

We thank you for the continued support of your prayers and donations for the apostolate of our missionary society. We are united in prayer to ask the Lord to guide and protect us all during this pandemic.
