Message from the Provincial of the Americas

Dear friends,

I invite you to discover the 2026 calendar, adorned with batik motifs inspired by African art. These motifs, true messengers of wisdom and philosophy, are designed to illustrate the everyday life of communities, their cosmology and their vision of the world, reflecting the cultural diversity of the continent. Some of them reveal the effort to inculturate Christianity into the language and practices of Africans, establishing a harmonious link between tradition and spirituality.

From the vast sandy expanses of the Sahara to the majestic baobabs of the savannahs, via the traditional dwellings of the Great Lakes forests, Africa unfolds like a living fresco, punctuating the months of the year with its brilliant colors. Take advantage of this artistic symphony to approach the New Year with renewed optimism and a heart brimming with gratitude to God, the source of all life.

As usual, I would like to take this opportunity to express our deep gratitude for your support in all its forms. I would also like to convey to you the warm wishes of the Missionaries of Africa: wishes for peace, good health, success and blessings.

Happy New Year 2026.

Father Barthélémy Bazemo, M.Afr

The province of the Americas

The Society of the Missionaries of Africa, historically known as the 'White Fathers', was founded by Mgr Charles Lavigerie in Algiers in 1868. This first foundation was followed the following year by the creation of the Congregation of Missionary Sisters of Our Lady of Africa, also known as the 'White Sisters'.

Since then, thousands of men and women have traversed the vast expanses of Africa. The first missionaries came from Europe. It was in the 1920s that Canadians joined this spiritual family, characterized by its international and intercultural composition. Today, the majority of new missionaries come from various African countries.

In the Americas, the province includes Mexico, the United States and Canada. Over the past decade, however, we've seen the arrival of many new missionaries from Africa.

Provincial Council of the Americas 2024 - 2027

Paul Johnston, Canadian delegate residing in Toronto,
Barthélémy Bazemo, from Burkina Faso, provincial of the Americas
residing in Washington, **Cyriaque Mounkoro**, from Mali,
delegate of Mexico residing in Querétaro, **Serge St-Arneault**,
Canadian, provincial secretary residing in Montreal
and **Antonio Koffi**, from Togo, provincial bursar residing
in Washington (not in photo).

The Missionaries of Africa (White Fathers) set up the Afrika Centre in 1988 to enable Africans to forge bonds of friendship with one another and thus promote harmonious living together in Quebec society.

Our services:

- Welcome and orientation service for new arrivals.
- Activities and events designed to facilitate the creation of networks of solidarity.
- Support for the development of initiatives and networks promoting integration and inclusion.
- Intercultural and interfaith dialogue activities.
- Three rooms are available for a variety of meetings and activities.
- Internet portal for organizations and associations that share the Centre Afrika's values, as well as for disseminating various activities, information and relevant news.

Our mission:

We, the team and friends of Centre Afrika, promote encounters between Montreal's various African groups, and support their integration into their host society, thus contributing to the living-together to face current and future challenges.

Our motto: To live together in the spirit
of interculturality and supportive solidarity.

The mission of the **Missionaries of Africa** and the **Missionary Sisters of Our Lady of Africa** is closely linked to issues of peace and social justice, interculturality, interreligious and ecumenical dialogue. Our involvement in these areas is reflected in our pastoral commitments in parishes and specialized centers, particularly on the African continent. In the name of Gospel values, we also campaign against modern forms of slavery.

We live in **intercultural communities**, reflecting a world where people of different origins rub shoulders on a daily basis. Our two Missionary Societies are made up of around 400 sisters, 1000 priests and brothers and lay associates, from 36 different nationalities.

Our houses of formation welcome many young people from various African countries, India and the Philippines, along with a few candidates from Europe and the Americas.
